SNOW REMOVAL REMINDER

- Sidewalks **must** be cleared within 48 hours of a snowfall, so please make sure your sidewalks are free of snow and ice.
- Please do not shovel snow from driveways and sidewalks onto the town roads, this will keep the roads safer for vehicles & provide additional moisture for your lawns.
- The Town of Daysland Public Works is busy in the winter removing snow. Public Works will be there as soon as they can to remove snow from your street, please be patient.
- Please make sure trees and shrubs are not overhanging on sidewalks, roadways, or alleys to assist with snow removal.
- Public Works is unable to plough your residential road effectively with parked vehicles on it. Public Works may place signs on your street the night before they plough. **PLEASE** move your vehicles so that the town equipment can move freely and safely to remove the snow.
