The **Organizational & Regular** Council Meeting are scheduled for
Tuesday, October 22, 2024 @ 5:30 pm in Council Chambers.

EVERYONE WELCOME!

Sunbeam Seniors Drop in Centre

Thank you!

This is a simple note to say a **BIG THANK YOU**, to the Visions Credit Union. The Drop In Centre made an application to the Credit Union for their \$10,000 grant. And it was approved! We were able to replace the shingles on the roof of our building. It was an unaffordable amount for us, but it was time to do those upgrades. We cannot thank them enough for the grant and want to acknowledge the receipt of that amount, as we could not have afforded it on our own. We will be placing a note on our window in order to give the recognition it deserves. In addition we want to thank the Daysland Recreation Department for the grant of \$4,900. It was used to replace a Window, restore a curling lane in the building and carpet cleaning. Without the support we wouldn't have been able to repair these things. Thank you for your generous support, what an honour to receive.

Water Meter Replacement Program

Thank you to those property owners that have booked appointments for the replacement of the Water meter & ERT and the ERT for the Natural Gas meter.

Metercor is scheduled to be in Town from October 3 – 10, 2024 to complete the work as per the scheduled appointments.

If you have received a letter or email from Metercor and have NOT booked an appointment, we ask that you please book an appointment as soon as possible following the instructions provided.

Note: This project is being completed over a two-year period (2024 & 2025), if you did not receive a letter or an email from Metercor, your property will be scheduled for next year.
