### SNOW REMOVAL REMINDER

- Please make sure your sidewalks are free of snow and ice within 48 hours of a snowfall.
- Please do not shovel snow from driveways and sidewalks onto the town roads.
- The Town of Daysland Public Works is very busy in the winter removing snow. Public Works will be there as soon as they can to remove snow from your street. Thanks for your patience!
- Public Works is unable to plough your residential road effectively with parked vehicles on it. PLEASE move your vehicles so that the town vehicles can move freely and safely to remove the snow.

Remaining safe is a joint responsibility.  
When you see a snow plow, salt or sand truck on the road, please proceed with caution.  
Our eyes are on the road, the snow, potential obstacles and dangers – we ask you to be patient.

Give time and space to the vehicles at work for you!
